Fire and Theft Only Cover

This provides:

For a summary of benefits available to you, see 'Benefits of cover available' on pages 10 and 11 and 12.

Our contract with you

Your policy is a contract of insurance between you and Zurich and contains all the details of the cover that we provide. Your policy is made up of:

- the policy wording, which begins on page 13 of this document. It tells you what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;
- the information you provide to us when applying for insurance cover;
- your most current policy *schedule* issued by us. The *schedule* is a separate document unique to you, which shows the insurance details relevant to you. It includes any changes, exclusions, terms and conditions made to suit your individual circumstances and may amend the policy; and
- any other changes otherwise advised by us in writing (such as an *endorsement* or a supplementary PDS). These changes vary or modify the above documents.

Please note, only those sections shown as covered in your *schedule* are insured.

This document is also the PDS for any offer of renewal we may make, unless we tell you otherwise. Please keep your policy in a safe place.

We reserve the right to change the terms of this product where permitted to do so by law.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that you should be aware of when deciding to purchase our product. These may affect the amount of the payment that we will make to you if you have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of your nominated Basis of Settlement value shown in your *schedule* or some other amount, factor or item specified in the relevant clause of this policy.

You should be aware of the following matters in considering whether this product is suitable for your needs.

Basis of Settlement – Section 1

When Section 1 – Own Damage is selected, there are three Basis of Settlement options: *agreed value*, *market value* or the *sum insured value*. *Agreed value* is available if your *vehicle* is a sedan, station wagon, 4WD, utility, panel van or other goods carrying vehicle, with no greater than two tonnes *payload* carrying capacity. *Market value* is available if your *vehicle* has a *payload* carrying capacity no greater than five tonnes.

If your *vehicle* has a *payload* carrying capacity of five tonnes or more, only *sum insured value* may be stated in the *schedule* as the Basis of Settlement and we will insure by reference to the amount specified by you; however, if an *event* occurs to your *vehicle*, we will calculate benefits of cover by reference to the lesser of the *market value* or the *sum insured value*.

We refer you to the Definitions applying to Section 1 from page 13, which explains how we apply these categories of cover. The correct Basis of Settlement selection is vital, as an incorrect selection may possibly leave you underinsured.

Basis of Settlement – Section 2

When Section 2 – Liability is selected, we have automatically included the Limits of Liability within the policy. We recommend you refer to page 39 and you review these limits to ascertain if they are adequate for your requirements.

Dangerous Goods

When Section 2 – Liability is selected, we provide cover where your *vehicle* is being used for, attached to, or towing a vehicle used for the transport of *dangerous goods*. We recommend you refer to page 39 and review the limit of *dangerous goods* cover provided, to ascertain if it is adequate for your requirements.

Extensions of Cover

The policy Extensions of Cover are automatically included. Some of these cover certain additional costs and expenses you may incur when you have loss or *damage*, such as for removal of debris / load and retrieval costs. Some Extensions of Cover have limits that apply either per *event*, *vehicle*, *period of insurance*, accident, loss or day. These limits are in addition to the amount we pay for *damage* to your *vehicle*, unless the Extension of Cover states that the amount payable is included in the maximum amount we will pay you for *damage* to your *vehicle*. We suggest you review these limits to see if they are adequate for your requirements.

Please refer to Extensions of Cover – Section 1 and 2 on page 26, Extensions of Cover – Section 1 from page 30 and Extensions of Cover – Section 2 from page 41 for full details. Some of these major benefits are listed in 'Benefits of cover available' from page 10.

Optional Extensions of Cover

The policy has Optional Extensions of Cover which may be available to you and which you may wish to consider:

- Hire vehicles (refer to page 27);
- Contents of caravan / trailer (refer to page 37);
- Driver accident benefit (refer to page 38);
- Hire vehicle following an accident (refer to page 38);
- Increased non-owned trailer liability (refer to page 43).

Excesses can apply

For each of the available covers, a basic *excess* and, in certain circumstances an additional *excess*, may apply. A basic or additional *excess* is not an additional fee charged by us at the time of making a claim. Rather, it is the uninsured first portion of loss for which you are otherwise covered, i.e. the amount that you must contribute towards each claim.

Details of the basic and additional *excesses* and the circumstances in which they will be applied are set out in the Definition of Excess from page 16. The basic *excess* amount will appear on your policy *schedule*. The additional *excess* amounts are set out in the Definition of Excess from page 16.

Upon acceptance of your claim, you must pay the total amount of the applicable *excess*, either to us or to the repairer. We will advise you to whom the *excess* must be paid, however, if your *vehicle* is a total loss, we may deduct any *excess* that you must pay from any payment we make.

Exclusions and Limitations

This policy contains exclusions and limitations, some of which are common in insurance policies and some may be less common, and as such may be unexpected. For example, your policy may exclude or limit cover for loss or *damage* to the *vehicle* or caused by the use or operation of the *vehicle* in the following circumstances:

- unlawful acts on the part of the owner, driver or operator of the *vehicle*
- acts of unlicensed drivers
- use of or *damage* to *vehicles* that are unroadworthy or unsafe
- an *act of terrorism*
- *cyber acts*

An example of a less common exclusion is found on page 21, in Exclusions of Cover – Sections 1 and 2 under Section 3.14 ‘Underground mining’ which excludes cover when your *vehicle* is used for drilling or tunnelling whilst underground or used or driven in an underground mine or mining shaft.

The above are some circumstances that are not covered by this policy. Before making a decision about whether to purchase this policy, you should read the full details of all relevant exclusions and limitations which are contained in the policy wording.

Some may not be relevant to your requirements, however, you should make yourself aware of all the exclusions and limitations. You should refer to , Limitations of Cover – Section 1 and 2 on page 19, Exclusions of Cover – Section 1 and 2 on pages 20 to 23, Limitations of Cover – Section 1 on pages 28 and 29, Exclusions of Cover – Section 1 on pages 29 and 30, Limitations of Cover – Section 2 on page 39 and Exclusions of Cover – Section 2 on pages 39 to 41 to ascertain if the cover is adequate for your requirements.

Terms and conditions

Terms and conditions applicable to your policy set out your obligations with which you need to comply. Please refer to page 23 to page 26.

You should make yourself aware of all the terms and conditions that apply. If you do not meet them we may decline or reduce the claim payment or cancel your policy.

Make sure you have the cover you need

You should discuss with your intermediary the appropriate amounts and risks for which you need to be insured. If you do not adequately insure for the relevant risks you may have to bear any uninsured losses yourself.

If you do not choose appropriate amounts that allow for the current value of your *vehicle* or other financial risks that your policy aims to cover, then you may be underinsured when you need to make a claim.

Change of circumstances

You should notify your intermediary as soon as possible when your circumstances change and where you need to add to or vary the insurance cover you need. For instance, if you purchase a new *vehicle*, or add new accessories to your *vehicle*. If you do not tell your intermediary of these changes and you suffer loss or *damage*, your insured value may not be adequate to cover your loss, or you may not even have any cover under your policy. If you are unable to contact your intermediary, you can contact us directly to inform us of your change in circumstances.

Duty of Disclosure

Before you enter into an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until we agree to insure you.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

How we calculate your premium

The amount of your *premium* is determined by taking a number of different matters into account.

It is important for you to know in particular that the *premium* varies depending on the information we receive from you about the risk to be covered by us. The higher the risk is, the higher the *premium* will be. Based on our experience and expertise as an insurer, we decide what factors increase our risk and how they should impact on the *premium*. Each insurer can do this differently.

We calculate your *premium* on the basis of information that we receive from you when you apply for insurance. Some factors impacting premiums are:

- the location of your *business*;
- the nature of your *business*;
- type of *vehicles* (make, age, model);
- use of *vehicles* (private, business);
- the value of the *vehicles*;
- type of cover requested;
- location and operating radius of the *vehicles*;
- age of the regular drivers of the *vehicles*;
- your previous claims history; and
- any additional *excess* you nominate to pay above our basic *excess*. This means that when you purchase a policy, you may elect to take a higher *excess* in the event of a claim, which will reduce the cost of your *premium*. If you are interested in this, you should ask your intermediary to supply you with quotes based on differing amounts of *excesses*.

Your intermediary can arrange for you to be provided with a quote for a *premium*. You will need to give your relevant personal details to your intermediary at this time to enable us to calculate your *premium*.

Another important thing to know is that your *premium* also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. stamp duty, GST and emergency services levy) in relation to your policy. These amounts will be set out separately on your *schedule* as part of the total *premium* payable.

How and when you pay your premium and what happens if you don't pay?

Premiums are charged and are payable on a yearly basis. Your intermediary can also tell you what other methods are available to make your *premium* payments.

Your intermediary will send you an offer of renewal of your insurance once a year, before your current *period of insurance* expires. If you do not pay your *premium* when due, your policy may lapse after 30 days and you will not be covered. You may be able to reinstate your policy after it lapses, but you must submit an application to us, which is subject to our reassessment of your personal circumstances at the time of application.

Goods and Services Tax

The insured value that you choose should exclude goods and services tax (GST). In the event of a claim, if you are not registered for GST, we will reimburse you the GST component in addition to the amount we pay you. If you are registered for GST, you will need to claim the GST component from the Australian Taxation Office.

You must advise us of your correct input tax credit percentage where you are registered as a business and have an Australian Business Number. Any GST liability arising from your incorrect advice is payable by you.

How to make a claim

If you need to make a claim against this policy, please refer to 'Claims procedures' under Terms and Conditions – Sections 1 and 2 from page 23. If you have any queries please contact your intermediary as soon as possible, or call us on 132 687.

Cooling-off Period

After you purchase a Zurich product and you have received the policy document, you have 21 days to check that the policy meets your needs. Within this time you may cancel the policy and receive a full refund of any *premiums* paid, unless you have:

- made a claim or become entitled to make a claim under your policy; or

Your request will need to be forwarded to us via your intermediary or to the address shown on the back cover of this document.

Financial Claims Scheme

Zurich is an insurance company authorised under the Insurance Act 1973 (Cth) to carry on general insurance business in Australia. As such, we are subject to prudential requirements and standards, regulated by the Australian Prudential Regulation Authority (APRA).

This policy may be a protected policy under the Federal Government's Financial Claims Scheme, (FCS) which is administered by APRA.

The FCS may apply in the event that a general insurance company becomes insolvent. If the FCS applies, a person who is entitled to make a claim under this insurance policy may be entitled to a payment under the FCS. Access to the FCS is subject to eligibility criteria.

Further information about the FCS can be obtained at www.fcs.gov.au

Repairs, Repairer Choice and Parts Policy

Zurich complies with the Motor Vehicle Insurance and Repair Industry Code of Conduct.

You can choose a repairer, or we can recommend one for you.

We may not accept your choice of repairer or their quote if we consider that:

- the repairer may not have the equipment, licence or expertise to repair your *vehicle*;
- the scope or quality of repairs is not appropriate; or
- the quote is not reasonable.

If we do not accept your choice of repairer or their quote, you must still cooperate with us to select a reasonable repair quote or another repairer and quote that we both agree on.

Where you choose your own repairer, we may require and arrange for a second quote from a repairer chosen by us to help us to determine the reasonable costs to repair your *vehicle*. We may move your *vehicle* to another repairer for this purpose or ask you to do so where that is reasonable. We may then choose to do one of the following (subject to any relevant policy limits and after considering your preferences):

- authorise the repairs agreed with your chosen repairer;
- authorise the repairs agreed with another repairer that we both agree on; or
- pay you the reasonable cost to repair your *vehicle*.

When your *vehicle* is repaired, the repairer may use re-usable parts or parts that are not manufactured by a supplier to the vehicle's original manufacturer which:

- are consistent with the age and condition of the *vehicle*;
- do not affect the safety or the structural integrity of the *vehicle*;
- comply with the vehicle manufacturer's specifications and applicable Australian Design Rules;
- do not adversely affect the post-repair appearance of the *vehicle*; and
- do not void or affect the warranty provided by the vehicle manufacturer.

In repairing your *vehicle*, we may arrange for a part of the repair to be carried out by a specialist service provider, for example windscreen repairs.

We guarantee workmanship of the repairs authorised by us. This guarantee is for the life of the *vehicle* and is in addition to your statutory rights against the repairer and warranties that you have from the repairer directly. Wear and tear is not covered by this guarantee.

We will arrange for repairs authorised by us to be rectified at no cost to you, if we agree that the repairs are defective. Before we can arrange for any defective repairs to be rectified, you must give us the opportunity to inspect the *vehicle*.

Headings

Headings have been included for ease of reference, but do not form part of the policy.

Certain information in this PDS may change from time to time. If the updated information is not materially adverse from the point of view of a reasonable person deciding whether or not to purchase this product, a copy of the updated information will be available free of charge upon request, by contacting your intermediary or us by using our contact details on the back cover of this PDS.
