Duty of Disclosure

This contract of insurance will be governed by either the Insurance Contracts Act 1984 (Cth) or the Marine Insurance Act 1909 (Cth).

Duty of Disclosure under the Insurance Contracts Act 1984

Before you enter into a contract of general insurance with us, you have a duty under the Insurance Contracts Act 1984 (Cth) to disclose to us every matter you know, or could reasonably be expected to know, is relevant to our decision whether to insure you and, if so, on what terms. This applies to all persons to be covered under this contract of insurance.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance. This duty however, does not require disclosure of a matter that:

- diminishes the risk to be insured;
- is of common knowledge;
- we know or in the ordinary course of our business we ought to know;
- we indicate to you that we do not want to know.

Duty of Disclosure under the Marine Insurance Act 1909

Your attention is drawn to Sections 23 to 27 of the Marine Insurance Act 1909 (Cth) and, in particular, that any contract of marine insurance is based on utmost good faith and in the absence of such good faith, may be avoided. Further, you have an obligation to disclose to us every material circumstance which is known to you and/or which in the ordinary course of business ought to be known to you. Every circumstance is material if it would influence the judgement of a prudent insurer in fixing the premium or determining whether they will take the risk. If there is a failure to make such disclosure, we may avoid the contract.

Non-disclosure or Misrepresentation

If you make a misrepresentation to us, or if you do not comply with your duty of disclosure and we issue your policy with terms and conditions that are different to the terms and conditions that would have been issued had there not been any misrepresentation, or your duty of disclosure had been complied with, then:

- we may reduce the cover provided so that we are placed in the same position as we would have been in, had there not been any misrepresentation and your duty of disclosure had been complied with; and
- we may also cancel your policy; or
- we may treat your policy as if it never existed if the misrepresentation or your non-compliance with your duty of disclosure was fraudulent.
