

Zurich Motor Fleet Insurance

Factsheet

Zurich's commercial fleet insurance has you covered with flexible, tailored solutions across all vehicle classes, plant and equipment for ten or more vehicles. Our focus is getting you back to business, fast

Heavy Motor Accident Assist

Zurich's Heavy Motor Accident Assist is available 24/7 as first responders for vehicles over five tonnes helping to secure assets, minimise losses and time off the road.

- Emergency responders available 24/7
- Experts engaged quickly to expedite claims
- Engagement of resources to contain spills and deal with incidents
- Telephone support for the driver
- Arranging relocation and temporary accommodation for the driver
- Loss mitigation through spill containment, environmental clean up, vehicle towing and salvage extraction

Zurich's approved repairer network

Gets you back to business as soon as possible in the event of an accident. Enjoy priority service repairs by skilled and trusted technicians, mobile assessing for quoting if required and flexibility in pickup and delivery of the vehicle through our approved repairer network. If you prefer, select your own repairer. The choice is yours.

Policy highlights

- New vehicle replacement in the event of total loss if your vehicle is a sedan, station wagon, 4WD, utility or other goods carrying vehicle;
 - if the vehicle is less than two years' old
 - if the vehicle is between two and less than three years' old, you were the first registered owner and the vehicle has been insured continuously with Zurich within two years of the date of first registration
- Removal and delivery costs up to \$100,000 per event
- Automatic additions of vehicles up to \$500,000 per vehicle
- Total loss of encumbered vehicles cover up to an additional 25 percent of market value or 25 percent of sum insured value/agreed value (as applicable), whichever is less
- Journey disruption costs up to \$5,000 per event for certain loss or damage to vehicles more than 100kms from where normally garaged
- Removal of debris/load costs up to \$100,000 per event
- Employee's personal property up to \$5,000 per event
- Employee's vehicles up to \$100,000 any one loss or event
- Third party liability cover up to \$35 million

- Third party liability cover for transportation of dangerous goods up to \$1 million
- Non-owned trailer liability cover up to \$150,000 or market value at time of damage (whichever is less with a \$2,500 excess)

Choose your cover

- Comprehensive cover
- Own damage only cover
- Third party property damage only

Streamlining your business

- Manage multiple vehicle types across all segments under one policy and reduce your admin
- Deal with a contact person for each claim
- Choose how to lodge a claim via a broker, online, through the claims app or over the phone
- Track a claim online at any stage through Z Track
- Web based risk management and reporting capabilities backed by superior risk engineering
- Get valuable insight into your fleet claims history and compare your fleet on a de-identified and aggregated basis within Z Fleet Navigator in Z Track

Why Zurich

Zurich's flexibility covers a wide range of commercial vehicles, industries and occupations. Customers can choose comprehensive cover or own damage. You can also add fire, theft and third party property or just opt for third party property or fire and theft only paying for what you want and need making this a truly customised proposition reducing inefficiencies and costs.

Zurich brings a 150 year history in risk management expertise to your business.
